- Introducing weight and volume
- Problem solving

Please Can You Help?

See our home learning sheet for ideas for other projects at home. Choose three or four to do and send them in when you are done. We will display these projects in school.

Many Thanks,
Miss Wright and Miss Clark

This half term we will be covering the IPC unit A Day in the Life. During this unit we will be learning about jobs and uniforms. We will also be thinking about what we would like to be when we grow up and how to achieve this.

Class Information

Year One and Two will need their PE kits on a **Tuesday** and a **Friday**.

PE kit is a white t-shirt, shorts and plimsolls or trainers.

New spellings are given out on a Tuesday and tested the following Monday.

The children also need to be reading at home. They should be reading each book more than once to help improve their fluency. Please ensure you are listening to your child read at least three times a week and returning their reading book and reading record to school.

- In PE we will be
Playing 10 point hoops.
- Throwing
 - Learning about overarm and underarm throws and when they are appropriate
 - Aiming at a target
 - Keeping score of a game
Playing Where Are we going?
 - Following directions
 - Recognizing 4 compass points
 - Using positional and directional language

- In History, we'll be finding out:**
- About the jobs people used to do in the past
 - About significant people from the past
 - What our local area might have looked like a 100 years ago

In RE we will be learning about
Easter
What is the Christian Easter story and why is it important?

- In Computing we will be
- Learning how to search on a search engine.
 - Learning how to research using the internet.

- In Geography, we'll be finding out:**
- About the services and buildings in the local area
 - How to create our own street map

- In Art, we'll be finding out:**
- How to create a portrait of ourselves to show the things that we do
 - How to create an ID card for our future selves in 20 years' time

- In Music, we'll be finding out:**
- How to create theme music for one of our characters
 - How to sing and perform the main theme music for our soap opera/show
 - How to use our voices expressively and creatively in saying chants and rhymes

- In International, we'll be finding out:**
- How to provide a welcome party for a family from another country

- In Technology, we'll be finding out:**
- How to make vehicles for our street map
 - How to make a uniform for one of our characters
 - How to plan a healthy snack for one of our characters
