

English

In English we will be:

- Reading the legend of Spud Murphy.
- Character and setting descriptions.
- Writing Letters.
 - Spelling rules and patterns
 - Different sentence types
 - Vocabulary.
 - Comprehension
 - Guided reading

Maths

- recognise and show, using diagrams, equivalent fractions with small denominators
 - recognise and use fractions as numbers; unit fractions and non-unit fractions with small denominators
 - add and subtract fractions with the same denominator within one whole [for example, $5/7 + 1/7 = 6/7$]
 - compare and order unit fractions and fractions with the same denominator
- solve problems that involve all of the above
- measure, compare, add and subtract lengths (m/cm/mm), mass (kg/g), volume/capacity (l/ml)
- measure the perimeter of simple 2D shapes

Many Thanks
Mrs Lowery

Lets Plant It

Class Information

Year 3 will need their Swimming kits on a **Monday** and their PE kits on **Thursday**.

Spelling home learning will be given on a **Monday** and the spelling rules are practised and applied throughout the week during spelling lessons.

Children should regularly use Times Table Rockstars to practise their fluency and quickness of times table questions.

All children have chosen a reading book from our Accelerated Reading scheme from the school Library. This book needs to be in school each day as children read their book during reading time daily. Also children need to read their reading book at home which should be signed 3 times per week.

In RE:

We will learn about:

What do Christians Remember on Palm Sunday?

- We will read the story of Jesus' entry into Jerusalem and will consider the symbolism and significance of this event. They will put this story in the context of Holy Week and what happened next to Jesus.

In computing we will learn:

Class Democracy

- How to create a bill for proposed legislation and create an animation and an endorsement to support their bill.
- Evaluate work and complete a survey to express views.

In PE we will be learning:

Target Baggers

- We will throw at a target with precision.
- Move to try to intercept the ball
- Work collaboratively formulate tactics.

In Science we'll be finding out:

- What plants need in order to grow.
- Identify and describe parts of plants and flowers.
- About water transport within plants.
- About the life cycle of plants.

In French we'll be learning:

- **Animals.**
- Saying animal vocabulary.
- Describing animals using adjectives.
- Naming animal homes.

In PSHE we'll be learning:

Healthy Me

- To understand how exercise affects our bodies.
- To identify things, people and places to keep safe from.
- To know how to take care of our body.
