

### **English**

In English we will be looking at the novel 'Stig of the Dump'

- We will be Story writing based around the book
- Instructions - How to make furniture/home from people's rubbish
- Spelling looking at different spelling rules and patterns.
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

### **Maths**

In Maths we will

- Use place value, known and derived facts to multiply and divide mentally, including multiplying by 0 and 1, dividing by 1, multiplying together three numbers
- Recall multiplication and division facts for multiplication tables
- Solve problems involving converting from hours to minutes, minutes to seconds, years to months, weeks to days.
- Convert between different units of measure [for example, kilometre to metre, hour to minute]
- Measure and calculate perimeter (including squares) in centimetres and metres

Many Thanks  
Miss Prosser

# Scavengers and Settlers

Our new IPC unit is Scavengers and Settlers

### **Class Information**

Year 4 will need their PE kits on a **Wednesday and Friday**.  
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.

Children need to be reading at home with their reading book signed 3 times per week.  
Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

### **In RE we will**

- Learn about the period of preparation before Christmas and how Christians use this period of time.
- Explore some of the language and symbolism connected with Advent.
- Reflect on how we prepare for Christmas.

### **In computing we will**

- Blend creative writing and coding to produce our own interactive animations.

### **In PE we will be learning**

Hockey

We will learn how to push the ball to a team member.

How to score goals.

How to get the ball from the opposition.

### **In French we will:**

- Learn about 'My home'
- Develop vocabulary knowledge, asking and answering oral questions in French.

### **In History we will:**

- Find out about how fossils are made
- What daily life was like for Early man
- Research early civilisations and ages
- Find out about how Stone Age hunters lived
- Why and where early people settled
- Compare different early settlements
- Research the Iron Age culture

### **In Art we will**

- Choose our own materials and techniques
- Talk about works of art and look at cave painting
- Make our own Stone Age artefacts

### **In PSHE we will study**

'Celebrating difference'

### **In Technology we will**

- Design our own recipes
- Create dishes that would have been eaten by early people
- Evaluating each others creations

### **In International we will**

- Learn about what skills people have needed to learn in order to survive.
- The importance of team work.
