

English

In English we will be persuasive writing

- Discussing and recording ideas
- Composing and rehearsing sentences orally progressively
- Building a varied and rich vocabulary and an increasing range of sentence structures
- Proposing changes to grammar and vocabulary to improve consistency
- Proof-read for spelling and punctuation errors

Maths—In Maths we will

- add and subtract fractions with the same denominator solve problems involving increasingly harder fractions to calculate quantities, and use fractions to divide quantities, including non-unit fractions where the answer is a whole number
- recognise and write decimal equivalents of any number of tenths or hundredths
- solve simple measure and money problems involving fractions and decimals to two decimal places
- find the effect of dividing a one- or two-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths
- recognise and write decimal equivalents of any number of tenths or hundredths count up and down in hundredths; recognise that hundredths arise when dividing an object by one hundred and dividing tenths by ten

Many Thanks
Miss Prosser

Shaping up

Our new IPC unit is Shake it!

Class Information

Year 4 will need their PE kits on a Wednesday.
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.

Children need to be reading at home with their reading book signed 3 times per week. Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

In RE we will

- Focuses on the period leading up to Good Friday and Easter Day.
- we will look at how Christians keep Lent and what they are remembering about the life of Jesus at this time.
- We will think about the temptations Jesus faced in the desert and reflect on ways in which people react and respond to temptations today.

In computing we will

Build a basic web page using tags and elements to change the design and the colour of the web page.

In PE we will be learning

- Zone Cricket
- We will use a range of techniques to hit the ball.
- We will move so that we can intercept the ball.
- Explain the tactics that we have used.

In French we will:

- Describe people
- Introduce more vocabulary and practice asking and answering questions in French.

In Science we will find out:

- How the human heart works
- What is meant by a balanced diet
- How the digestive system works
- About the harmful effects of cigarettes and alcohol
- How much physical exercise we need
- About the effects of physical activity on our heart rate

In International we will find out—

- How different countries keep fit
- About World Health Day
