

English

In English we will be studying 'Flotsom' by David Weisner

- We will be Story writing based around the book
- Spelling looking at different spelling rules and patterns.
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

Maths

In Maths we will

- Interpret and present discrete and continuous data using appropriate graphical methods, including bar charts and time graphs solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs
- Identify acute and obtuse angles and compare and order angles up to two right angles by size
- Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes
- Identify lines of symmetry in 2D shapes presented in different orientations
- Complete a simple symmetric figure with respect to a specific line of symmetry

Many Thanks
Miss Prosser

Nature of Life

Our new IPC unit is The Nature of Life

Class Information

Year 4 will need their PE kits on a Wednesday.
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.
Children need to be reading at home with their reading book signed 3 times per week.
Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

In RE we will

What do Christians believe about God?

- We will learn about some key Christian beliefs about God expressed through metaphor, myth and symbol and begin to consider what impact these beliefs will have on the lives of Christians

In computing we will

- Build our own Lego Creature
- Create our own 3D world

In PE we will be learning

Mini Tennis

- We will learn a range of techniques to hit the ball.
- Select appropriate equipment for the game.
- We will learn how to move to intercept the ball.

In French we will:

- Learn about 'The Body'
- Introduce more vocabulary and practice asking and answering questions in French.

In Science we will be finding out about

- Animal, plant and human life cycles
- About local food chains and webs
- How living things grow and change
- How living things are grouped
- About plant and animal adaptations
- About the differences between living and non-living things

In Technology we will

- Be designing and making a bird box

In PSHE we will study

- 'Relationships'

In International we will be finding out:

- Which plants and animals need protection
- Why we need to look after all living species
