

English

In English we will be studying

- Poetry
- Biographies of different famous people who have made a difference
- Spelling looking at different spelling rules and patterns.
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

Maths

- Identify acute and obtuse angles and compare and order angles up to two right angles by size
- Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes
- Identify lines of symmetry in 2D shapes presented in different orientations
- Complete a simple symmetric figure with respect to a specific line of symmetry
- Estimate, compare and calculate different measures, including money in pounds and pence
- Solve simple measure and money problems involving fractions and decimals to two decimal places
- Describe positions on a 2D grid as coordinates in the first quadrant
- Plot specified points and draw sides to complete a given polygon
- Describe movements between positions as translations of a given unit to the left/right and up/down

Many Thanks
Miss Prosser

They Made a Difference

Our new IPC Topic is
They made a Difference

Class Information

Year 4 will need their PE kits on a Wednesday .
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.

Children need to be reading at home with their reading book signed 3 times per week.
Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

In RE:

What can we learn about Christian faith by studying the lives of the Northern saints?

In computing we will learn:

How to create our own Sports report us-

In PE we will be learning:

Athletics

We will develop our running skills.

Choose and sustain an appropriate running pace.

In French we'll be learning:

Different sports.

How to say our preferences.

In PSHE we'll be learning:

About how to stay healthy in body and mind.

In History, we'll be finding out:

- About world leaders from the past
- How to make a timeline
- How leaders in the past compare to leaders today
- About significant scientists from the past
- About primary and secondary sources of information

In Art, we'll be finding out:

- How artists can influence the way we look at the world.
- About the work of an important sculptor.
- How to paint a portrait of someone significant to us.

In Music, we'll be finding out:

- About well-known musicians from the host and home countries
- How we can compose our own music in a similar style
- Why some music/musicians are significant

In International, we'll be finding out:

- How the World Wide Web has connected countries.
- About people who are significant on a global level.
