

## English

In English we will be looking at:

- Narrative - Kensuke's Kingdom Michael Morpurgo
- Non-chronological Reports

## Maths

In Maths we will be looking at:

- Perimeter, Area and volume
- Geometry - Position and Direction
- Imperial and Metric Measure
- Properties of Shape

Many Thanks,  
Mr Hawksworth

# Go With the Flow

Our new IPC topic is *Go With the Flow*. Rivers play a vital role in shaping the geography of our planet, providing nutrients, habitats and transport for people, plants and animals, and also supplying us with energy to power machinery and generate electricity. Rivers really are our most precious resource.

## Class Information

Spelling rules will be given on a Monday to practise for Friday and children will have home spelling books which they must bring to school each day. Timestable Rockstar homework will be set on a Monday for completion by Sunday.

The children will be receiving new reading books early in the term as part of the accelerated reader scheme.

**In Computing we will be learning about:**

- Bletchley Park 2

**In PE we will be learning about:**

- Badminton
- Cricket

**In French we will be learning about:**

- The Future

**In RE we will be learning about:**

- So, what do we now know about Christianity? (exploration through the concepts)

**In P.S.H.E we will be learning about:**

- Relationships

**In Geography, we'll be finding out:**

- How the shape of a river is always changing
- How it changes the land through which it flows
- What happens when it floods
- What uses people make of rivers
- About different types of bridges and how they are built
- How to build our own bridge to span a gap and support a weight

**In History, we'll be finding out:**

- About the importance of the River Nile in every aspect of life in Ancient Egypt

**In International, we'll be finding out:**

- About the effect of river management on different countries and communities
