

English

In English we will be looking at:

- Short by Kevin Crossley-Holland
- Literacy Shed—Alma

Maths

In Maths we will be looking at:

- Read, write, order and compare numbers up to 10,000,000 and determine the value of each digit
- Solve number and practical problems that involve all of the above
- Round any whole number to a required degree of accuracy
- Use negative numbers in context, and calculate intervals across zero

Science

In Science we will be looking at:

- About several ways to investigate in science
- How to make sure our investigations are well designed and reliable
- Ways to: collect, record, interpret and present our findings

Many Thanks

Mr Hawksworth

Investigators

Welcome back to school!

Our first IPC unit this year is Investigators. During this unit we will learn how to 'do' science. We will learn several, important, scientific skills. These skills can be used in a whole range of scientific situations. However we will use these skills to investigate one branch of science: materials and their properties. We will also see how these skills can be applied to one real world context - the exciting world of forensic science!

Class Information

Spelling rules will be given on a Monday to practise for Friday and children will have home spelling books which they must bring to school each day. Timestable Rockstar homework will be set on a Monday for completion by Sunday.

The children will be receiving new reading books early in the term as part of the accelerated reader scheme.

In International we will be learning about:

- About the international police organisation: Interpol

In Computing we will be learning about:

Intro to Python

- Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.
- Use sequence, selection, and repetition in programs; work with variables and various forms of input and output. Solve problems by decomposing them into smaller parts.

In PE we will be learning about:

- Tag Rugby
- Calling the Shot (Football)

In French we will be learning about:

- Reviewing topics from Years 3/4.

In P.S.H.E we will be learning about:

- Recovery

In RE we will be learning about:

- What can we learn about religious diversity in our area?
- What can we find out about our local Muslim community?
