

Green Fingers!

English

In English this term we will be looking at

- The Everywhere Bear by Julia Donaldson
- Retelling other stories by Julia Donaldson

We will also be looking at

- Guided Reading
- Phonics
- Handwriting

Maths

In Maths this term we will be looking at

- Number place value (within 100)
- Money
- Time

Please Can You Help?

See our home learning sheet for ideas for other projects at home. Choose three or four to do and send them in when you are done. We will display these projects in school.

Many Thanks,
Miss Hodson

This half term we will be covering the IPC unit *Green Fingers!* During this unit we will be learning about plants as living things. How they grow and what we can use them for. We will also find out how to look after plants.

Class Information

Year One will need their PE kits on a **Tuesday** and a **Thursday**
PE kit is a white t-shirt, shorts and plimsolls or trainers.

The children also need to be reading at home. They should be reading each book more than once to help improve their fluency. Please ensure you are listening to your child read at least three times a week and returning their reading book and reading record to school.

In Science, we'll be finding out:

- About plants that grow in our local area
- About the different parts of a plant
- What plants need in order to grow
- How to care for a plant

In International, we'll be finding out:

- How people in different countries use plants
- If eating more plants could make a difference to the world

In Geography, we'll be finding out:

- About plants that grow in other countries

In Technology, we'll be finding out:

- How to make a watering device

In Computing we will be learning about:

- Let's fix it—debugging algorithms

In PE, we will be learning:

- Games—Mini Tennis
- Multiskills
