

English

In English we will be:

- The Iron Man by Ted Hughes.
- Setting descriptions.
- Hot seating activities.
- Writing a story based on the Iron Man.
 - Spelling rules and patterns
 - Different sentence types
 - Vocabulary.
 - Comprehension
 - Guided reading

Maths

- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods
- recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables
- solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which n objects are connected to m objects
- solve problems involving addition, subtraction, multiplication and division and a combination of these, including understanding the meaning of the equals sign
- interpret and present data using bar charts, pictograms and tables
- solve one-step and two-step questions [for example, 'How many more?' and 'How many fewer?'] using information presented in scaled bar charts and pictograms and tables

Class Information

Year 3 will need PE shoes on Monday and Wednesday.

Spelling home learning will be given on a Monday and the spelling rules are practised and applied throughout the week during spelling lessons.

Children should regularly use Times Table Rockstars to practise their fluency and quickness of times table questions.

In RE:

- What can we learn about Christian worship and beliefs by visiting churches?

In computing we will learn:

Journey Inside a Computer

In PE we will be learning:

Gymnastics
Balancing act

In Science we'll be finding out:

About the effects of friction.
Compare how objects move on surfaces.
What friction is and how we use friction.
How we can reduce or increase friction.
How magnets and magnetic forces work.

In French we'll be learning:

Core Unit 3
Body Parts
Counting to 30
