

### English

In English we will be:

- Writing our own narrative composition based on Egyptian Cinderella
- Looking at poetry
- Spelling looking at different spelling rules.
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

### Maths

In Maths we will

- Recognise and write decimal equivalents of any number of tenths or hundredths
- Add and subtract fractions with the same denominator
- Compare numbers with the same number of decimal places up to two decimal places
- Find the effect of dividing a one- or two-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths
- Round decimals with one decimal place to the nearest whole number
- Recognise and write decimal equivalents to  $\frac{1}{4}$ ,  $\frac{1}{2}$ ,  $\frac{3}{4}$  solve simple measure and money problems involving fractions and decimals to two decimal places

Many Thanks  
Miss Prosser.

# Bright Sparks!

Our new IPC unit is Bright Sparks!

### Class Information

Year 4 will need their PE kits on a Monday and Thursday.  
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.

Children need to be reading at home with their reading book signed 3 times per week.  
Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

### **In RE we will learn**

#### **How and why do people show care for others?**

- We will be looking at different religions and how they care for others and comparing this to our selves.

### **In computing we will**

- Look at collaborative learning online.

### **In PE we will be learning**

#### **Mini Tennis**

- We will learn a range of techniques to hit the ball.
- Select appropriate equipment for the game.
- We will learn how to move to intercept the ball.

### **In French we will:**

- Learn about 'The Body'
- Introduce more vocabulary and practice asking and answering questions in French.

### **In Science we will be finding out:**

- How to make an electrical circuit
- Which materials allow electricity to pass through them
- How to build bigger circuits
- About magnetism and electricity
- How to keep safe around electricity

### **In Technology we will**

- Be finding out how to make a house with lighting and a door buzzer

### **In PSHE we will study**

- 'Relationships'

### **In International we will be finding out:**

- How we produce electricity in our country
- Why saving electricity is good for the planet
