

English

In English we will be studying:

- Spelling looking at different spelling rules and patterns.
- Poetry
- Egyptian Cinderella
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

Maths

In Maths we will:

- Identify acute and obtuse angles and compare and order angles up to two right angles by size
- Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes
- Identify lines of symmetry in 2D shapes presented in different orientations
Complete a simple symmetric figure with respect to a specific line of symmetry
- Estimate, compare and calculate different measures, including money in pounds and pence
- Solve simple measure and money problems involving fractions and decimals to two decimal places
- Describe positions on a 2D grid as coordinates in the first quadrant
- Plot specified points and draw sides to complete a given polygon
- Describe movements between positions as translations of a given unit to the left/right and up/down

Many Thanks
Miss Prosser

Shake it!

Our new IPC unit is Shake it!

Class Information

Year 4 will need their PE kits on a Monday and Thursday.
Spelling rules will be given on a Monday and are practised and applied throughout the week.

All children have been given a reading book from our new Accelerated Reading scheme. This book needs to be in school each day.

Children need to be reading at home with their reading book signed 3 times per week.
Children can also use Times table Rockstars via the internet on a regular basis to support their times tables learning.

In RE we will

We will learn about:

- Why people visit Durham Cathedral today.

In computing we will

How to work collaboratively online.

In PE we will be learning

Tennis, how to play tennis and hold a racket.
Looking at outdoor sports.

In French we will learn:

Different sports.
How to say our preferences.

In Science we will:

- Find out how solids, liquids and gases are made
- How to change milk into a solid
- What happens to butter when it is heated
- Find out what happens when some materials are heated or cooled
- Which solids will dissolve in a liquid
- Find out the science of making milkshakes

In Technology we will

- Design and make our own hand whisk or milk frother

In PSHE we will study

- 'Healthy me'

In International we will

- Find out about similarities and differences between our home and host country
- Differences in lack of diet and nutrients and how this can affect people
