

English

In English we will be looking at:

- Explanations about the human body.

Maths

In Maths we will be looking at:

- generate and describe linear number sequences
- use simple formulae
- express missing number problems algebraically
- find pairs of numbers that satisfy an equation with two unknowns enumerate possibilities of combinations of two variables
- solve problems involving unequal sharing and grouping using knowledge of fractions and multiples
- solve problems involving the relative sizes of two quantities where missing values can be found by using integer multiplication and division facts
- solve problems involving similar shapes where the scale factor is known or can be found

Many Thanks

Mr Hawksworth

Being Human

Welcome back to school!

Our third IPC unit this year is Being Human . During this unit we will be looking at how different parts of your body function and how humans are different from other animals.

Please talk to your child about their learning and support them in looking at issues happening around the world.

Class Information

Year 6 will need their PE kits on a **Monday** and a **Wednesday**.
Spelling rules will be given on a Monday to practise for Friday.
Timestable Rockstar homework will be set on a Monday for completion by Friday.

The children will be receiving new reading books early in the term as part of the accelerated reader scheme.

In Science we will:

- How humans are different from other animals
- About the brain and the nervous system
- About the bones and muscles in the body
- How the human heart works
- How we breathe and what the lungs do
- What we inherit from our parents
- How our environment affects us
- How the body uses food and water
- About the latest medical research

In Technology we will:

- How to plan and prepare a healthy meal

In International we will:

- About a major global health problem
- If we can improve the health of the world's children

In Computing we will be learning about:

- Heroes and Villains - we will be using the programme Scratch to create our own video game.

In RE we will be learning about:

What do the gospel stories tell us about the birth of Jesus?:

- In this unit pupils will learn about the two versions of the birth story and compare similarities and differences. They will learn what the gospel writers (Matthew and Luke) were showing about Jesus through their version of the birth story. Pupils will consider some of the ideas that have grown up around the nativity story, but are not part of the gospel stories.
- Pupils will have the opportunity to discuss and give their views and reasons about the question "Are the birth stories true?"

In P.S.H.E we will be learning about:

- Celebrating Differences - we will be learning about what it means to be normal, understanding differences, power struggles and why people bully others.

In PE we will be:

- Making the grade - year 6 will be creating and performing a group dance that portrays routine.

In French we will be learning about:

- Actions - these will involve looking for a pirate, in the cupboard and treasure hunts.
