

### English

In English we will be

- Reading the books *Stone Age Boy* and *Ug Boy Genius of the Stone Age*
- We will be Story writing based around the book .
- Instructions
- Spelling looking at different spelling rules and patterns.
- Different sentence types
- Vocabulary
- Comprehension
- Guided reading

### Maths

In Maths we will

- add and subtract numbers mentally, including a three-digit number and ones, a three-digit number and tens, a three-digit number and hundreds
- solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction
- estimate the answer to a calculation and use inverse operations to check answers
- add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction
- add and subtract numbers mentally, including a three-digit number and ones, a three-digit number and tens, a three-digit number and hundreds
- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods
- recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables
- solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which  $n$  objects are connected to  $m$  objects

Many Thanks  
Mrs Lowery

# Scavengers and Settlers

Our new IPC unit is *Scavengers and Settlers*

### Class Information

Year 3 will need their Swimming kits on a **Monday** and their PE kits on **Thursday**.

Spelling home learning will be given on a **Monday** and the spelling rules are practised and applied throughout the week during spelling lessons.

Children should regularly use Times Table Rockstars to practise their fluency and quickness of times table questions.

All children have chosen a reading book from our Accelerated Reading scheme from the school Library. This book needs to be in school each day as children read their book during reading time daily. Also children need to read their reading book at home which should be signed 3 times per week.

**In RE we will learn:**

**How and Why is Advent Important?**

- We will learn about the period of preparation before Christmas and how Christians use this period of time.
- We will explore some of the language and symbolism connected with Advent.

**In PSHE we will learn about:**

**Celebrating Difference.**

- To understand that everyone's family is different and important to them.
- To know how to problem solve conflicts.
- To recognise times when words are hurtful.

**In computing we will learn:**

- Directional language and programming.
- explain the meaning of algorithms and the importance of order and accuracy.

**In PE we will be learning**

**Gymnastics**

- Devise a sequence with a beginning , middle and end.
- Show a variety of balances on small body parts.
- Move smoothly from one action to another.

**In French we will learn :**

- Days of the week.
- Numbers to 20.
- Express likes and dislikes.

**In History we will:**

- Find out about how fossils are made
- What daily life was like for Early man
- Research early civilisations and ages
- Find out about how Stone Age hunters lived
- Why and where early people settled
- Compare different early settlements
- Research the Iron Age culture

**In Art we will**

- Choose our own materials and techniques
- Talk about works of art and look at cave painting
- Make our own Stone Age artefacts

**In Technology we will**

- Design our own recipes
- Create dishes that would have been eaten by early people
- Evaluating each others creations

**In International we will**

- Learn about what skills people have needed to learn in order to survive.
- The importance of team work.
