Believe, Learn, Aspire, Achieve

Dear Parents

It has been a difficult time in school this week as we begin to really feel the effects of the rising COVID cases in the local area. The staff and myself would like to wish the children and their families currently isolating a speedy recovery.

We know there will be further disruption over the coming weeks, but hope we can get things back to normal as soon as possible.

Thank you all again for your continued help and support. I hope you all have a good weekend.

Mrs Harrison

Fundraising

COVID-19 UPDATE

As from Monday 17th January 2022 the self isolation period will be reduced to 5 full days. Anyone who has tested positive will need to take a LFT test on day 5 and day 6. If both tests are negative the child may return to school on day 6.

If someone tests positive on those days they must continue to isolate until either: they have 2 negative LFT results on 2 consecutive days, or they have completed the 10 day isolation and do not have a temperature.

If you have any questions please do not hesitate to contact school.

Zones of Regulation

This week we have introduced the Zones of Regulation.

The children have looked at each of the zones and the types of feelings associated with each one.

Ideally we want to be in the Green Zone—happy, calm and ready to learn.
